In this riveting book, the author explores the history of the "Elohim," the titans or giants birthed through the union of fallen angels with human women (as recorded in Genesis), and the "bull spirit" behind them. Using both the Bible and many other ancient writings, the author carefully outlines evidence that these beings existed and explains the agenda behind their cruel reign upon the earth-- to corrupt Adam's race through whom the Savior was promised to come and to offer alternative "heroes" to save humanity. The book explores how this agenda and the gods associated with it affected biblical history-- with a look also at present and end-times implications.

When the powers of the Evil One threaten to destroy eighth-grader Jonah and the other humans who are one-quarter angel, Jonah is led by a series of visions to find the one person who is meant to call upon God's faithfulness and save them--a prophet of Elohim.

of a human and a fallen angel--and when she is kidnapped, Jonah and his sister Eliza must try to rescue her, with the help of prayers and a guardian angel.

A six thousand year war rages and now the demonic Fallen are coming for him—the one man shrouded in mystery. Only Validus stands in their way. Validus is the last and least of God's angels, but he's seen much across the millennia since his creation. Empires have risen and fallen as angelic and demonic forces battle in a raging war that will determine humanity's fate – and the fate of his defeated brothers. Eventually called to be an earth-bound warrior, Validus rises to a position of power and respect, commanding legions of angels through impossible battles and overwhelming odds. But when orders arrive from the Creator's most elite Messenger, he finds himself suddenly demoted to a task of apparent insignificance considering the fierce war they are waging against the demonic Fallen – the covert protection of one unbelieving man. Validus soon finds himself on a mission that will push him beyond his abilities as he battles to protect Drew Carter, for the Fallen are coming for him. Legions of them. As Validus races against time to discover why Drew is so important to humanity's survival, can he stand between Drew and all who would destroy him?

In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How

did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments,

particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

Why does writing exist? What does it mean to those who write? Born from the interplay of natural and cultural history, the seemingly magical act of writing has continually expanded our consciousness. Portrayed in mythology as either a gift from heroes or a curse from the gods, it has been used as both an instrument of power and a channel of the divine; a means of social bonding and of individual self-definition. Now, as the revolution once wrought by the printed word gives way to the digital age, many fear that the art of writing, and the nuanced thinking nurtured by writing, are under threat. But writing itself, despite striving for permanence, is always in the midst of growth and transfiguration. Celebrating the impulse to record, invent, and make one's mark, Matthew Battles reenchants the written word for all those susceptible to the power and beauty of writing in all of its forms.

Join part angel Jonah Stone as he faces his biggest challenge yet! Many months have passed since part angel siblings Jonah, Eliza, and Jeremiah Stone began their angelic training. As part angels, or quarterlings, the siblings joined other children of nephilim to begin honing their special powers. In this third installment in the Son of Angels series, Jonah's story comes to resemble a modern-day Job as he's faced with trials that affect his health, strength, relationships, and most-prized possessions. As he and the other quarterlings prepare for mid-term exams, their powers are tested once again in the most fierce battle against Abaddon's forces yet. Will Jonah's faith in Elohim continue to persevere as he fights Abaddon in his

hardest battle yet? Parents today are looking for fiction that makes Christianity and the Bible exciting for their kids. This series is the first Christian answer to Percy Jackson and the Olympians, the Kane Chronicles, the Secret Series, and other middle-grade series packed with action, adventure, and supernatural fights. But the message is solidly based in Scripture, conveying God is always in control. Meets national education standards.

In the end-time a final battle will commence between Elijah and the Antichrist! Jesus said, "Elijah truly shall first come, and restore all things." Will you listen to Elijah or to the Antichrist? If you enjoyed "The Elijah Calling" by Ken Mentell you are going to love Book Two in the "Restoring Truth" series. The mark and image of the Beast cannot properly be understood without an accurate scriptural understanding of the Image of God, our now fallen and broken Image, and the role of the Messiah to restore the Image of God. Just as this pattern was fulfilled by Adam and Eve, by all Creation, by Israel, by Jesus Christ...it will also be fulfilled in the End-Time called the Day of the Lord. To properly understand the choices, you will be forced to make, you need to understand your true state as defined by the Bible. This end-time Battle cannot be escaped, it will fall on all creation, and every man, woman, and child will be forced into a choice. It will demand every bit of your attention, and every emotion of your being. It will determine your fate. Don't be surprised...this battle has been raging for 6,000 years and will culminate in a choice...just like Eve had to make! What will you do? Will you switch on the football game or will you wake up to a reality that existed all around you that you had chosen to ignore because the deception was so entertaining? Which mark will you take the Image of the Beast or the Image of God?
