A Review of Bill Hull's The Complete Book of Discipleship.
The title of Hull's book assumes much – too much. Hull began with an admirable goal to cover the multi-faceted jewel that is discipleship, and he did touch on many different sides of the discussion, but he by no means presented the “complete” book of discipleship.

The Complete Book of Discipleship: on Being and Making Followers of Christ truly lived up to its name. Author Bill Hull took his readers through his vision for writing the book (the idea that we've made discipleship optional, focusing on self and a lack of "carrying our cross"), through the history of discipleship (both biblically and secularly), and through

Bill Hull Quotes (Author of The Complete Book of Discipleship)

Bill Hull writes a well informed, well written book on discipleship. The title is a bit ostentatious. "The Complete Book of Discipleship" makes a claim that just can't be lived up to in a 340 page book. That said, it's a decent book on discipleship.

Scripture places high priority on the disciplemaking capacity of the church, This book shows how to accomplish it. Foreword by Howard Ball.

Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it. The end result is that the disciple becomes the kind of person who naturally does what Jesus did. How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship. Our doctrines of grace and salvation, in some cases, actually prevent us from creating an expectation that we are to be disciples of Jesus. A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus. Being a follower is seen as an optional add-on, not a requirement. It is a choice, not a demand. Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ. In this ground-breaking new book, pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus. He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion—answering the call to follow Jesus—and

Christ commanded the church to make disciples, to produce people who love and obey God, bear fruit, and live with joy. The crisis at the heart of the church is that we often pay lip service to making disciples, but we seldom put much effort behind doing it. For the pastor who is ready to put words into action, *The Disciple-Making Pastor* offers the inspiration and practical know-how to do so. Bill Hull shows pastors the obstacles they will face, what disciples really look like, the pastor's role in producing them, and the practices that lead to positive change. He also offers a six-step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church.

Thomas doubted. Peter denied. Matthew had a shady past. And most of Jesus' disciples had trouble understanding his true message and mission at times. How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived? And how can modern church leaders empower regular church members to meet their potential as servants of God? In *Jesus Christ, Disciplemaker*, Hull outlines Christ's methods in training his twelve disciples and presents a biblical pattern that emulates Christ's model for reaching the lost. By taking readers through four growth phases—evangelizing, establishing, equipping, and leading—Hull shows how these principles can be adapted for any discipler. *Jesus Christ, Disciplemaker* is the perfect resource for pastors and church leaders who want to learn how to help others grow in God's service.

What is a Christian? At the most basic level, a Christian is a disciple of Jesus Christ. And yet many Christians today

couldn't tell you what a disciple of Jesus Christ is, or would even think of themselves as disciples. And yet in the Great Commission, Jesus specifically called us to make disciples. Everything else is secondary. The Cost of Cheap Grace is an extended, sweeping, bold, and bracing call to repentance for where we've let secondary things subvert our commitment to discipleship, and a compelling vision for discipleship as the basis of the gospel in all its world-changing, subversive power.

The final court of whether or not you are becoming like Jesus is not attending another church program but how you act in daily life. Christlike aims to change outward actions by inner spiritual growth through uncomplicated obedience in our relationship with God. Author Bill Hull uses his experience as a pastor and his background in discipling and spiritual formation to show how Scripture memory plays an integral role in your discipleship. Explore what it means to be a Christian and what your role is in the kingdom of God.

Every church wants to experience the fullness of God, but many feel discomfort and confusion when the question of gifts of the Holy Spirit is raised. What does it mean to move in the power of the Holy Spirit? Isn't the issue of gifts of the Spirit divisive to evangelical churches? Straight Talk on Spiritual Power begins with Bill Hull's own theological journey from being a student at a charismatic university to a cessationist to a pastor with a moderate position affirming the full ministry of the Holy Spirit in the church today. Using Jesus as the ultimate model, Hull searches the Scriptures and finds a consistent balance between the Word of God and the power of the Spirit. He shares the gradual change in his own church

as it grew to experience the gospel with power, the Holy Spirit, and deep conviction. Conscious of the fears and confusion often surrounding this topic, Hull carefully looks at topics such as speaking in tongues, baptism in the Holy Spirit, healing, prophecy, and miracles, and offers thorough scriptural as well as practical instruction.

What if everything you've heard about leadership is wrong? Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West. It makes our work impersonal and exploitive. And, at worst, it serves the leader rather than those the leader leads. We need a different style of leadership—one patterned after Jesus. We need to learn to influence others out of our character, for that is what Jesus did. The Christian Leader is not about improving your church, your work, or your family; it is about changing how you lead. It does more than teach you how to modify your behavior; it shows you how to change the sources of your behavior—your motives and reasons for being a Christian leader. In the end, as everything you know and believe about Christian leadership is transformed, it will lead to transformation in those you lead and serve.
