A practitioner of ancient shamanic techniques for healing and journeying explains how to restore reader's animal spirits, heal old wounds through shamanic dreaming and ultimately recover and grow their souls. Original.

In this extraordinary book, shamanic dream teacher Robert Moss shows us how to become shamans of our own souls and healers of our own lives. The greatest contribution of the ancient shamans to modern healing is the understanding that in the course of any life we are liable to suffer soul loss — the loss of parts of our vital energy and identity — and that in order to be whole and well, we must find the means of soul recovery. Moss teaches us that our dreams give us maps we can use to travel to the places where we can find and bring home our lost or stolen soul parts. He shows us how to recover our animal spirits and ride the windhorse of spirit to places of healing and adventure in the larger reality. We discover how we can heal ancestral wounds and open the way for cultural soul recovery. You ’ ll learn how to enter past lives, future lives, and the life experiences of parallel selves and how to bring back lessons and gifts. “ It ’ s not just about keeping soul in the body, ” Moss writes. “ It ’ s about growing soul, becoming more than we ever were before, embodying more of the Greater Self. ” With fierce joy, he incites us to take the creator ’ s leap and bring something new into our world.

A valuable dream guide shows readers how to use nightly messages from the unconscious to inform and instruct their waking consciousness. Original.

The author of Conscious Dreaming and The Three "Only" Things poses arguments for understanding one's dreams in order to resolve past events and prepare for the future, explaining the practices of ancient dreaming cultures and the dream experiences of famous historical figures.

Active dreaming is a way of being fully of this world while maintaining constant contact with another world, the world-behind-the-world, where the deeper logic and purpose of our lives are to be found. This book offers three core areas of practice: talking and walking our dreams to bring energy and guidance from the dreamworld into everyday life; shamanic lucid dreaming; and, conscious living.

Wanda Burch dreamt that she would die at a certain age; her dreams foretold her diagnosis of cancer, and they guided her toward treatment and wellness. Although she took advantage of all the medical resources available to her, Wanda believes she is alive today because of her intimate engagement with the dreamworld. This book is more than one woman's story, however. Wanda provides techniques such as questioning the dream and observing the surroundings of the dream to delve into the meaning behind the personal stories we tell ourselves in sleep. Through powerful prose and practical exercises, this book demonstrates that wisdom lives within each of us, and we can tap into that wisdom through dreamwork.

A guide to co-creating a healing vision for humanity and the Earth through nature-connected shamanic rituals • Explains the Earth Spirit Dreaming process for rebirthing inherent shamanic abilities with dozens of practices in three categories: Earth-connecting practices, Spirit-connecting practices, and Dream-connecting practices • Provides experiential exercises to foster interactions with the intelligences and elemental energies of nature and the Spirit realm, realign you with the rhythms and flow of life, and co-create a healing dream for humanity and all of life on our planet • Contains step-by-step directions for connecting with the light guides of the planet for guidance and healing Humanity has become profoundly disconnected from the web of life on Earth as well as from nature as a whole. In this practical guide, Elizabeth E. Meacham details her field-tested method of shamanic ecotherapy practices to resolve this centuries-long trend toward disconnection. Through these practices, you will learn how to reconnect to Earth ' s systems and help restore health and balance to people and the planet. Translating transformative ideas from visionary environmental thinkers into engaging shamanic rituals for profound spiritual growth, Meacham offers dozens of practices in three categories: Earth-connecting practices, Spirit-connecting practices, and Dream-connecting practices. Building on one another, the exercises open channels to allow you to directly experience the intelligences of the Earth and Spirit realms, rebirth your inherent shamanic abilities, realign you with the rhythms and flow of life, and reclaim your ancestral power for co-creating a healing dream for our species and all of life on our planetary home. Guiding the reader through a progressively deepening journey toward connection with ourselves, each other, and the consciousness of our biosphere, the practices also invite profound mindfulness, as we work to hold a vision of connection with the Earth and Spirit realms, while choosing consciously to focus on joy, beauty, gratitude, love, and healing. Illuminating a shamanic awakening within Western culture at the dawn of an ecological age, Earth Spirit Dreaming reveals how the birth of a global consciousness of healing depends upon our commitment to individual and collective spiritual evolution. Calling us back to our shamanic heritage of a living nature spirituality, this manual offers much needed guidance on the essential journey back to an intimate love of Earth.

A leader of dream workshops and seminars details a unique, nine-step approach to understanding dreams, using contemporary dreamwork techniques developed from shamanic cultures around the world. Conscious Dreaming shows you how to use your dreams to understand your past, shape your future, get in touch with your deepest desires, and be guided by your higher self. Author Robert Moss explains how to apply shamanic dreamwork techniques, most notably from Australian Aboriginal and Native American traditions, to the challenges of modern life and embark on dream journeys. Moss's methods are easy, effective, and entertaining, animated by his skillful retelling of his own dreams and those of his students—and the dreams' often dramatic insights and outcomes. According to Moss, some shamans believe that nothing occurs in ordinary reality unless it has been dreamed first. In the dreamscape, we not only glimpse future events, we can also develop our ability to choose more carefully between possible futures. Conscious Dreaming's innovative system of dream-catching and transpersonal interpretation, of dream re-entry and keeping a dream journal enables the reader to tap the deepest sources of creativity and intuition and make better choices in the critical passages of life.

With warmth and compassion, Sandra Ingerman describes the dramatic results of combining soul retrieval with contemporary psychological concepts in this visionary work that revives the ancient shamanic tradition of soul retrieval for healing emotional and physical illness. This revised and updated edition includes a new afterword by the author.

Wake Up in Your Dreams and Live a Happier, More Lucid Life A lucid dream is a dream in which you become aware that you're dreaming. It's a powerful opportunity to solve problems, create new possibilities, take charge of your own healing, and explore the depths of reality. This book provides a range of practical techniques and activities to help you bring the creativity and super-conscious awareness of lucid dreaming into your life. Join international expert Clare R. Johnson as she shares the most up-to-date lucid dreaming techniques on how to get and stay lucid, guide dreams, resolve nightmares, deepen creativity, and integrate dream wisdom into everyday life. Drawing on cutting-edge science and psychology, this book is packed with inspiring stories of life-changing lucid dreams and fascinating insights into topics such as the ethics of dream sex, how to interact with lucid dream figures, and the nature of consciousness. Whether you're a person who barely remembers your dreams or a lifelong lucid dreamer, this in-depth guide is the perfect next step as you cultivate the power of lucid dreaming. Praise: "Dr. Clare Johnson has energetically led the way in revealing the limitless practical and spiritual potential of lucid dreaming, so far-reaching it can change the world. Her clearly-written book is destined to become essential reading for all those interested in lucid dreaming. It points out the essential phenomena of lucid dreaming, and then amazes us by opening its extraordinary major vistas to us, that reveal the true glory and limitless potential of our inner universe. This is a significant book."—Dr. Keith Hearne, the scientist who provided the world's first proof of lucid dreaming in 1975, and inventor of the world's first Dream Machine
