We specialize in publishing classic books and have been publishing books since 2014. We now have over 500 book listings available for purchase. Enjoy!

The Great Gatsby is a delightful concoction of Real Housewives, a never-ending Academy Awards after-party, and HBO's Sopranos. Shake over ice, add a twist of jazz, a spritz of adultery, and a little pink umbrellaand you've got yourself a 5 o'clock beverage that, given the 1920s setting, you wouldn't be allowed to drink.The one thing all these shows and Gatsby have in common is the notion of the American Dream. The Dream has seen its ups and downs. But from immigration (certainly not a modern concern, right?) to the Depression (we wouldn't know anything about that), the American Dream has always meant the same thing: it's all about the Benjamins, baby.Yet Gatsby reminds us that the dollars aren't always enough. As we learned from Audrey Hepburn in My Fair Lady, you can put on the dress, but you still aren't going to know which fork to use. Especially if you're bootlegging to make the money for the dress. Even when they have the cash, newly made millionaires are still knocking at the door for the accepted elite to let them in. If the concept of the nouveau riche (the newly rich) has gone by the wayside, the barriers to the upper echelon (education, background) certainly haven't. So there you have it. There's more to the Gatsby cocktail than sex, lies, and organized crime. Although those are there, too, which, as far as reading the book goes, is kind of a motivation in itself.

“My ideas of romance came from the movies,” said Woody Allen, and it is to the movies—as well as to novels, advice columns, and self-help books—that David Shumway turns for his history of modern love. Modern Love argues that a crisis in the meaning and experience of marriage emerged when it lost its institutional function of controlling the distribution of property, and instead came to be seen as a locus for feelings of desire, togetherness, and loss. Over the course of the twentieth century, partly in response to this crisis, a new language of love—“intimacy”—emerged, not so much replacing but rather coexisting with the earlier language of “romance.” Reading a wide range of texts, from early twentieth-century advice columns and their late twentieth-century antecedent, the relationship self-help book, to Hollywood screwball comedies, and from the “relationship films” of Woody Allen and his successors to contemporary realist novels about marriages, Shumway argues that the kinds of stories the culture has told itself have changed. Part layperson’s history of marriage and romance, part meditation on intimacy itself, Modern Love will be both amusing and interesting to almost anyone who thinks about relationships (and who doesn’t?).

The Common Core State Standards initiated major changes for language arts teachers, particularly the emphasis on “informational text.” Language arts teachers were asked to shift attention toward informational texts without taking away from the teaching of literature. Teachers, however, need to incorporate nonfiction in ways that enhance rather than take away from their teaching of literature. The Using Informational Text series is designed to help. In this fourth volume (Volume 1: Using Informational Text to Teach To Kill a Mockingbird; Volume 2: Using Informational Text to Teach A Raisin in the Sun; Volume 3: Connecting Across Disciplines: Collaborating with Informational Text), we offer challenging and engaging readings to enhance your teaching of Gatsby. Texts from a wide range of genres (a TED Talk, federal legislation, economic policy material, newspaper articles, and 1920s political writing) and on a variety of topics (income inequality, nativism and immigration, anti-Semitism, the relationship between wealth and cheating, the Black Sox scandal and newspaper coverage, and prohibition) help students answer essential questions about F. Scott Fitzgerald’s novel. Each informational text is part of a student-friendly unit, with media links, reading strategies, vocabulary, discussion, and writing activities, and out-of-the-box class activities.

Spanning the shores of Connecticut and Long Island, New York, the Long Island Sound is one of the most picturesque places in North America. From the discovery of the Sound in 1614, to the adventures of Captain Kidd, to the sinking of the Lexington in the sound in 1840, the Long Island Sound also holds a unique place in American history. The Long Island Sound traces the growth of fishing and shipbuilding villages along the sound to the development of major industrial ports, resort towns, and suburban communities along the sound. Marilyn Weigold discusses the subsequent overcrowding and pollution that resulted from this prosperity and expansion. Originally published in 1974 as The American Mediterranean and long out of print, The Long Island Sound has been updated by the author with a new preface and final chapter describing the Sound in the twenty-first century. In this new edition, Weigold particularly focuses on environmental concerns, and describes more current milestones, like the Long Island Pine Barrens Society, who fought and won in 1995 to set aside 100,000 acres as NY State's first forest preserve; the continuous construction of the Long Island Expressway, with its forty-one miles of HOV lanes; the attempt made by several of Connecticut's coastal cities to reinvigorate urban redevelopment; and the Long Island Sound Study's investigation of toxic substances—both natural and man-made—which continue to contaminate the waterway. Through over 40 stunning photographs and many fascinating stories, The Long Island Sound tells the history of a vastly populated, but underdiscussed, part of America.

Don't want to read the actual book? Tired of reading super long reviews? This new study guide is perfect for you!! This study guide provides a short and concise review guide of The Great Gatsby by F. Scott Fitzgerald. The guide includes: · A short summary of the entire novel · The major themes and their relationship to the storyline · A character guide with brief details on each role · Bullet-point chapter reviews that go into more detail than the book summary · A few potential essay topics with possible answers. Need help or have suggestions for us? Email us at info@totalgroupmobile.com and we will get back to you as soon as possible. @TheTotalGroup

Taking as his starting point the 1999 biopic Man on the Moon, Florian Keller explores Andy Kaufman's career within a broader discussion of the ideology of the American Dream, grasping Kaufman's radical agenda beyond avant-garde theories of transgression. Presenting readings of Kaufman's most significant performances, Keller shows how he mounted a critique of America's obsession with celebrity and individualism.
