This century witnessed two world wars, the Great Depression of the 1930s, the Holocaust in Europe, the Cold War, revolutionary social equality movements, and the exploration of space. Follow the changes in this decade-by-decade timeline of the 20th century. The 1900s Ann Ronan Pictures/Print Collector/Getty Images

# Online Library Historiography In The Twentieth Century From Scientific Decade-by-Decade Timeline of the 20th Century Challenge

The 20th century saw the creation of a huge variety of historiographical approaches; one was Marc Bloch's focus on social history rather than traditional political history. The French Annales school radically changed the focus of historical research in France during the 20th century by stressing long-term social history, rather than political or diplomatic themes.

Objectivity To The Postmodern Challenge  
Leopold von Ranke in early 19th century Germany, to the formation of the social sciences during the late 19th century, and on through postmodernism/linguistic turn.

Historiography in the Twentieth Century: From Scientific ...

Historiography in the Twentieth Century falls squarely within this tradition. It is clearly based on the assumption that the historians it discusses were people who really existed and wrote what they wrote; it self-evidently rests on the belief that what they wrote mirrored their intentions; and it undoubtedly reflects the author's determination to tell their story as a coherent sequence of events.
