Major Love is book two in the Balls in Play series. It can be read as a standalone. I love Kate Stewart's books, she is one of my one click authors but when I started this one, I was kind of confused and thought oh no this is going to be the one I don't like. Chapter One didn't really suck me in.

Major Love is Andy and April's story. And once again, I fell head over heels for these characters. Kate did however throw me a little bit of a curve ball. While I love her heroes, it is usually her heroine who reels me in.

Alice, a flight instructor, has lived a protected life and is eager for new adventures when she moves from her hometown in Ohio to Charleston, South Carolina, and attends her first-ever baseball game. There, she sees local baseball star, Rafe Hembrey, who is sure to be drafted into the big leagues this year. Rafe has no time for romance, he's got scouts to impress, but when Alice comes to town he questions where his focus really lies.

Ren Makavoy is one season away from realizing his Major League dreams. Unfortunately, his bad-boy reputation off the field has landed him in hot water. Ren swears his days of drinking, brawling, and seducing starlets are over, but management sees fit to bring in PR to clean up his act. Determined to prove himself as a reputable catcher, his plans of playing along backfire when he comes face to face with the woman who shattered his heart. She is the last hope of saving his reputation. And things are about to get a hell of a lot hotter. This sinfully sexy second-chance romantic dramedy is a stand-alone and spinoff of The Balls in Play Series.

“Fix Her Up ticks all my romance boxes. Not only is it hilarious, it’s sweet, endearing, heartwarming and downright sexy. It’s a recipe for the perfect love story.” – Helena Hunting, New York Times bestselling author of Meet Cute A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne! Georgette Castle’s family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven’t taken her seriously since. Frankly, she’s over it. Georgie loves planning children’s birthday parties and making people laugh, just not at her own expense. She’s determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn’t been on a date since, well, ever. Nobody’s asking the town clown out for a night of hot sex, that’s for sure. Maybe if people think she’s having a steamy love affair, they’ll acknowledge she’s not just the “little sister” who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball’s hottest rookie when an injury ended his career. Now he’s flipping houses to keep busy and trying to forget his glory days. But he can’t even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend’s sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What’s the harm? It’s not like it’s real. But the girl Travis used to tease is now a funny, full-of-life woman and there’s nothing fake about how much he wants her...

You may fancy yourself a sports fan, but chances are you don't know: A fish eyeball was used as the center of some nineteenth-century baseballs The race to make better billiard balls led to the invention of plastics The Nerf ball was originally created to be part of a board game featuring cavemen Balls are the unsung heroes of sports. They are smacked, flung, dribbled, crushed, thrown, and kicked. They're usually only the subject of scrutiny when something goes wrong: a tear, the application of an illegal foreign substance, or a dent from overuse. Nevertheless, if you're watching nearly any major sporting event from

around the world, you're likely following the ball wondering where it will go next... The Secret History of Balls mines the stories and lore of sports and recreation to offer insight into 60 balls-whether they're hollow, solid, full of air, or stuffed with twine or made of leather, metal, rubber, plastic, or polyurethane-that give us joy on playing fields and in every arena from backyards to stadiums around the globe.

A brand-new standalone novel in the New York Times bestselling Briar U series! What I learned after last year's distractions cost my hockey team our entire season? No more screwing up. No more screwing, period. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. But there's nothing in the rulebook that says I can't be friends with a woman. And I won't lie—my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she's got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she's making a play for me. Avoiding her is impossible. We're paired up on a yearlong school project, but I'm confident I can resist her. We'd never work, anyway. Our backgrounds are too different, our goals aren't aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body—and my heart.

As "America's favorite pastime," perhaps no sport has chronicled the rise of an immigrant nation like baseball. From German-American parents came Babe Ruth, Italian-Americans proudly point to Joe DiMaggio, and Jackie Robinson shattered the color barrier for African Americans that had kept them out of the game since the 1880s. Certainly, almost every Jewish baseball fan knows the names of Hall of Famers Hank Greenberg and Sandy Koufax, but Jews have played professional baseball in the United States since the earliest days of the sport. Indeed, over 160 Jews are known to have played professional baseball during the modern era, contributing significantly to the game on every level. But who, other than Koufax, is the only other Jewish pitcher to win the Cy Young Award? Which Jewish ballplayer's place in baseball history is assured, as he has the distinction of being the first major leaguer to play a game as a DH? In his landmark book *Matzoh Balls and Baseballs*, popular sportscaster Dave Cohen uncovers this hidden history and goes right to the source for answers, interviewing 17 former Jewish MLB players to hear, in their own words, what it was like to play in the Majors - the triumphs, frustrations, and everything in between. Foreword by Steve Greenberg. Interviewees include: Larry Yellen, Ron Blomberg, Elliott Maddox, Jim Gaudet, Richie Scheinblum, Joe Ginsberg, Ross Baumgarten, Mike Epstein, Ken Holtzman, Norm Sherry, Steve Stone, Steve Hertz, Don Taussig, Norm Miller, Barry Latman, Morris Savransky, and Al Rosen.

Disillusioned with love, Kendall has a one-night-stand with Garrison University's resident playboy, Cruise Elton, but when feelings emerge on both sides, Kendall and Cruise find themselves questioning everything they thought they knew about love.

Best laid plans are going to get wrecked when a reclusive football star is forced to live with the snarky nanny for his six year old nephew.

Strike One-My mother named me Theodore after her favorite chipmunk. Not cool, Mom. I've spent most of my life answering to Teddy, because I couldn't make Theo work. Except for here. College. The place where all bets are off, and I've managed to redeem myself. There's only one problem, my new roommate, Troy, is football royalty and looks like he stepped off the set of an Abercrombie shoot. Doesn't matter, I cook a mean breakfast for his panty parade, and we get along well. And anyway, this year I got the girl. And she's perfect. That's right. Theodore Houseman, former band geek, now marching

band rock star has finally landed the girl of his dreams. Everything is perfect. That is, until Troy takes a good look at her. I'm not going down without a fight. As a matter of fact, I'm not going down at all. As glorious as these days may be for my all-star roommate, Laney is my end game. I may not know much about play strategy, but I've been the good guy my whole life. I've been listening and I know exactly what women want. Framed in a picture standing next to me, Troy may seem like Mr. Perfect, but he's underestimating the guy on the right. Spoiler alert: In this story, the underdog is going to win.
