Moon Paintings The moon is that chunk of rock that has been orbiting the Earth since before our existence. It symbolizes night time and the subconscious and has been featured in mythology and folklore since the time of the ancients. This celestial companion of the Earth can be perceived as either calming and serene or spooky and foreboding.

Moon Time Designs, Forsyth, Georgia. 628 likes. Moon Time Designs is a collection of my favorite handcrafted spa goods, all made with light and love in my kitchen! I hope you enjoy them as much as I do!

Collects illustrations from around the world by such award-winning children's book illustrators as Rosemary Wells and Ange Zhang, and presents accompanying text or verse written or chosen by the artists in both the original language and English.

Even in the age of high-tech our bodies still respond to the cycles of earth and moon. This handbook demonstrates how we can rediscover the sacredness of everyday experiences and reconnect with the rhythm of the natural world. It also covers how the energies of your birth moon affect your life.

All around the world people are affected by and in awe of a full moon. In this poetic exploration of the lunar wonder, places near and far provide the backdrop for discovering celebrations, beliefs, customs and facts about the moon. From Broadway to Hong Kong to the International Space Station, the various perspectives, sparkling verses and depth of information create a fascinating rendering of a familiar, yet remarkable sight.

This beautifully illustrated collection of nocturnally inspired images and writing introduces children to great art and poetry, while sending them off to a dream-filled sleep. Drawing from centuries of artistic and literary traditions from around the world, this gorgeous bedtime book pairs works of art with poems and short fiction. Divided into eight thematic sections it features dozens of double-paged spreads that families will turn to again and again as part of their bedtime routine. The carefully chosen, diverse selection of images includes works by John Singer Sargent, Georgia O'Keeffe, Utagawa Hiroshige and Henri Le Sidoner among many others, beautifully reproduced in luminous color. Accompanying these artworks are poems, meditations and short fiction that range from lighthearted verse to eerie folktales. Together these words and pictures create meaningful impressions that children will treasure and remember as they drift off to sleep--and hold onto for the rest of their lives.

Healthy and Organized The Moontime Diary helps you navigate the year in tune with nature's seasons and cycles. Practical daily tips for well being, home and garden, inspire and guide you towards a healthier, more sustainable lifestyle. Have you heard about the concept of gardening by the Moon? You can use the sample principles to keep yourself and your environment healthy and organized. Gabrielle Sh. M.: This Diary is phenomenal. It helped me pick the right time to find a job, to look after my garden, helped me grow my hair, and more; it's incredible! I am now using it to plan my pregnancy.

"The moon shines bright and seems to glow. Inside are moon facts you should know!" --Page 4 cover.
