Publisher W. W. Norton & Company and authors Benjamin Ginsberg, Theodore J. Lowi, Caroline J. Tolbert and Margaret Weir have partnered to produce We the People 11th Edition (9780393639988). Presently classified as a Chegg top 400 textbook, its reputation signifies its usefulness as a study tool and a resource preferred by Political Science / Government / General instructors at colleges throughout the nation.

With fresh insight from new co-author Andrea Campbell, We the People, Twelfth Edition, once again sets the standard for showing students how government impacts their lives and why it matters who participates. Campbell relates true, personal stories of how government affects ordinary citizens. This focus is reinforced by the book's signature "Who Are Americans?" and "Who Participates?" features which motivate critical thinking about how Americans experience and shape politics. Learning goals ensure that students maintain consistent focus on core concepts in the text, in its companion InQuizitive learning tool, and in supporting critical-thinking exercises.

Politics is relevant and participation matters.

Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever.

We the People, Eleventh Edition, sets a new standard for showing how government affects students lives and why it matters who participates. The Who Are Americans? theme has been expanded to highlight how Americans from different backgrounds experience politics, and new Who Participates? infographics get students thinking critically about who shapes American politics. The textbook, InQuizitive course, and free coursepack are organized around chapter learning goals to ensure students learn the nuts and bolts of American government.

Politics is relevant. The best text for showing students that politics is relevant to their lives and that political participation matters—especially in the digital age. New coauthor Caroline Tolbert brings expertise in political behavior to deep revisions of key chapters, and new Digital Citizens boxes highlight the role of new media in politics. The nine chapters on Texas politics have been thoroughly updated and include several new Who Are Texans? infographics to engage visually oriented students.

We the People is ideal for showing students that politics is relevant to their lives and that their participation in politics matters. The book engages students with contemporary topics, including polarization in government and digital politics, and presents information on these topics both in the text and in new figures designed to resemble those that students see in online media. New features and resources also teach students to be more savvy consumers of real-world political information. Both the book and free Coursepack are organized around specific chapter learning goals to ensure that students learn the nuts and bolts of American government and to help instructors assess student learning of key concepts. In lively prose, Ackerman and Ginsberg explain the origins of each constitutional provision, assess the ways in which each has been used and interpreted over time, and examine the controversies that continue to surround key constitutional principles such as the president's powers during times of war and Congress's power to regulate interstate commerce. The authors also address a number of long-standing American political principles and practices that are not discussed in the Constitution, although many Americans think they are. A selection of related documents is included, as well as a list of recommended online resources for further reading and research. The Third Edition includes expanded headnotes, coverage of recent Supreme Court decisions, and other important updates.
